

SKELTON SCHOOL – GENERAL DATA PROTECTION REGULATIONS

The legal requirements in relation to the handling of personal data will change on 25th May 2018. On this date, the General Data Protection Regulation (GDPR) will come in to effect, replacing the Data Protection Act 1998 (DPA).

The requirements of the GDPR are different to those of the DPA and all establishments that hold personal data are expected to comply with this change in legislation. The changes are designed to improve transparency with which personal data is managed and to enable individuals to have more control over their personal data.

The steps that we are taking at Skelton School to protect your data and your children's data can be found in our Privacy Notice which is attached and can also be found on our website.

Additionally, in order to continue to communicate with you via email, we need to obtain your consent – please complete the attached form and return it to the school office as soon as possible, but no later than Monday 21st May 2018.

If you have any queries, please do not hesitate to contact us.

Many thanks,

Mrs Holme
